Dear Council Leaders,

This is quite fascinating that when problems arise De Molfetta in a panic rushes to Warren.

Simply confirming what the Bugler has said all along. Unelected Warren runs the politics of the LFRS also.

I informed you on his appointment that De Molfetta was a terrible Labour liability. You need to change him before the Ministerial Enquiry of the next government...

Just watch how him and 'Bob' are about to handle the Hamilton affair...keep watching the Morning Bugler...it may well hold your political Party fate in its hands....

Should I sign this Inspector Clousceau?

Hello Frank,

Perhaps I should come round and show you how to work one of these new fangled things, or perhaps you could take one of those LCC Adult learning classes you are advertising on the bottom of your page, or better still Bobbie will come round with a few new tricks?

But then perhaps you both will be learning a few new lessons shortly...

CC to a couple of thousand FSVs... you know.... those you care less about than your dog?

What a hoot....now circulate this...

Dear Leaders,
There is now the question of corrupt censorship at the LFRS. Where will this all end?
Sincerely,
