Ms. Hutchinson ,

as I stated to you just now at 14:00hrs 15<sup>th</sup> January 2016 at SHQ in the recreation room after I had satisfied you as to my persona and bona fides I had already sent you a copy of Mr. J [REDACTED]'s authorisation as my electronic records show @

On 14 Jan 2016, at 12:13, Paul P Burns wrote: this included, as you will note, Mr. J [REDACTED]'s authorisation...

Here is a copy of the original...

You have just now denied that you have received such an Authorisation though I note in your response @ 14 January 2016 12:46 you declared your inability, for reasons best known to yourself, to see all the attached correspondence...

It was upon this basis that you refused to pass over Mr. J [REDACTED] PRF to me as his authorised representative

I have little doubt that Mr. J [REDACTED] will wish to raise the matter with you today and ultimately with the Information Commissioner yet again.

Please acknowledge

**SHE NEVER DID.**

Yours Truly,
