Subject: The Nolan Complaint

EMAIL SENT ON BEHALF OF ANGELA HARRISON.

Dear Mr Burns,

I write to acknowledge receipt of your email and letter of the 9th February 2016.

In your letter you make requests for information which the Commissioner's Office do not hold and as you state in your letter these requests are directed at Constabulary and it is therefore a matter for them to reply.

In your letter, you reference the Chief Constable and express dissatisfaction about his conduct indicating that you feel there has been an abuse of power and an abuse of due process which are within the Chief Constables responsibilities.

I take this therefore to be a complaint about the Chief Constable, which we will therefore look into and revert back to you in the next 10 – 15 working days.

Yours Sincerely,

Angela Harrison

Director

Police & Crime Commissioner for Lancashire
