Dear Mr Burns

I note you have recently sent a communication to Members of the CFA which I acknowledge receipt of on behalf of the Combined Authority Members. The content has been noted, but not accepted. The Fire Authority will not be responding further to this correspondence.

You have previously been advised that the Authority has determined you to be vexatious and that position has not changed.

You have also been advised that I am your single point of contact and that any correspondence from you or your group to either the Authority or Fire Service employees should be routed through myself. To date you have failed to comply with this instruction.

Any further response or consideration from the Authority to any communication from yourself and your group in respect of these matters will not happen if you do not comply with the single point of contact notification.

Yours sincerely

A handwritten signature in black ink, appearing to read "Bob Warren".
