Hi Ian,

We took a phone call from a Paul Burns regarding disabled firefighters in Lancashire and a request for a meeting with either Jenny or David regarding the statutory duties of the Combined Fire Authority and Frank De Molfetta.

I have spoken to Jenny and she has asked me to refer to you for the position on this and has continued she will not be meeting with Mr Burns.

Mr Burns left contact details with one of my colleagues 0772 715963 or the email address

Please could I leave this with you?

Many thanks

Dear Mr Burns

I understand that last week you telephoned the Leader of the Council, Cllr Mein, regarding the statutory duties of the Combined Fire Authority and its Chairman, Cllr De Molfetta.

I have been asked to contact you to see if I can assist with your enquiry. If you could let me know what the issue is I will see if this is something I can deal with or identify who may be able to assist.

Yours sincerely

Dear Mr Burns

Having read the document via the link below, whilst I am unfamiliar with the issue it addresses, clearly it relates to a governance issue concerning the Combined Fire Authority, not the County Council, therefore it is a matter for you to raise with them.

As your document and covering e mail make clear, if you do not receive a satisfactory response from the CFA then there are other ways in which you can seek to challenge the decision-making process.

Yours sincerely

Dear Mr. Young,  
Thank you for your note.

I suggest you bring this to the attention of both party Leaders before we implement the impeachment stage on CC DeMolfetta because of its Party political implications.

<http://www.themorningbugler.com/corruption/lancashire-fire-rescue-service-pension-scandal/the-policy-and-management-of-corruption/a-journey-of-truthvol03/a-journey-of-truth-chapter-12/>

Though, as you know, no Party or Independent Member has expressed the remotest interest in this 8 years old pension dispute . Based on that it is probably best just to take this to the old and new Home Secretary.

Throughout we have always remained open for dialogue and resolution though clearly local politicians of all Parties have entirely failed us which I am advised are sufficient constitutional grounds to take this directly to the Prime Minister as a demonstrable failure of Lancashire local government.

Sincerely,

**Rimmer, Jill (OCE)**

Dear Ms.Wilson,  
I would be obliged if you would ensure that as a matter of some urgency the attached is placed in the hands of the two Coalition Leaders and the Labour Deputy Leader.

It would be helpful if you could acknowledge safe receipt by return?  
Many Thanks,
