Dear Mr Burns,

Thank you for your e-mail of 26 October to the Minister of State for Police and the Fire Service about the conduct of the members and officials of Lancashire Combined Fire Authority in relation to the Firefighters' Pension Scheme. I am replying as an official who deals with firefighters' pensions.

We are grateful for your update on how you are continuing to raise your concerns with the appropriate authorities. However, as explained in my letter of 23 May, it is not appropriate for the Home Office to get involved in the details of this case.

Yours sincerely

PHILIP PERRY
