Dear Mr Coutts,

Many thanks for a copy of Mr G [REDACTED]'s response to your Opinion.

We do not wish to proffer a detailed reply to what he says other than to reiterate that we stand by the analysis of his pension rights as we have previously set out and as you have determined. Moreover we entirely reject the various allegations of mendacity, criminality and other accusations which he lays at the door of some members of the Fire Authority, and Mr Warren in particular.

Kind regards

Dominic Howell
