Dear Mr Burns

I have received an enquiry from the Benefits Agency in respect of your application for them to pay you a Benefit and have now completed and returned the form to them on your behalf.

I should be glad if you would let me know if you are successful in your application as the terms of the Firefighter's Pension Scheme require such benefits to be taken into account in respect of the calculation of injury awards.

Yours sincerely

CHIEF FIRE OFFICER

Ray Jones and total has been

Awarded for excellence
