Keith

I hope you are feeling better. I had a brief conversation with Joanna about this matter in your absence. I believe we need to meet quickly to agree a strategy given the potential monetary scale of this issue. If I extrapolate the present sample to the whole population we are talking recovery of between £0.5 Million and £1 Million and with an annual saving of £50k to £80k in reduced pension payments. There are also PR issues to consider as well as getting LCC in partnership in dealing with the processing of these
