Yes, I have told this to Julie verbally, and have asked her why she has been completing this exercise, as she has already had letters to Burns and King which clearly indicate that we have determined these cases as matches.

Hi Bob

The last time we met I said that I would compare the NFI data against the information on LFRS files in respect of the 3 refusers. Attached are the results of that comparison for your information. Please give me a ring if you need to discuss this further.

Regards

Diane
