Hi Bob

As Jayne is out until Thursday I thought I would send the update on the NFI information request to you.

regards

Julie

Subject: NFI - fire injuries

Good afternoon all

I have contacted the Audit Commission regarding the DWP contact details as I have not heard anything from the contact given. Apparently the DWP have received a lot of requests for information re the NFI and injury pensions and their legal department is currently checking they are ok to provide the information.

Nathan, from the Audit Commission, advised that if the DWP came back and advised they could not provide the information he would take it up with them as his view is that they should provide it.

I will keep you updated with progress

Regards

Julie
