Hi Jayne and Anthony

After reading the documents supplied by the DWP I can confirm that they support the information on the NFI report in that the Reduced Earnings Allowance is payable as a loss of faculty resulted from the industrial accident on 24.10.1964.

The rate of the DWP benefits we used in the calculations are also correct.

As a result the overpayment of pension between 31 March 1999, when the DWP benefit commenced to 30 June 2008, when the injury pension was stopped is £22,510.66.

The underpayment of injury pension from 1 July 2008 to 31 August 2011 is £6,445.64

Regards

Julie
