

11th Feb Court Case Burns J. L.F.R.S. (PR 090110)
2013.

During the above court case, second day 12th Feb 2013, I was sat at the rear of the court, slightly elevated seating position, P. Burns is asking I. Drinkall questions relative to the case. From my position, I have good overall visibility of the court room, sitting in the public area (front of court) is Mr B. Warren and Miss J. D. Hister. At approx 15.50hrs I observed Mr. Warren accessing text/information from his mobile phone, this alarms me, so I decide to concentrate on what's going on? as Mr Warren makes through the text in sync with I. Drinkall's answers to P. Burns questions, I notice that Mr. Warren is also using nods of his head (affirmative negative) to I. Drinkall whilst she is being questioned by P. Burns.

At the closure of proceedings for the day approx 16.30hrs, I approach the court usher (female) and report my observations, she confirms that Mr Warren's actions were also observed by her and the clerk of the court (male), and the matter would be brought to Judge Buller's attention.

Having thought about the events of the day, I came to the decision to report the matter to the court manager the following day 13th Feb 2013.

When I outlined my observations to the court manager of the events of the previous day, I was asked to make a written statement, which I did immediately.

Having exited the court manager's office, I met up with people who were also in court the previous day, when casually asked about my views ~~about~~ on the days proceedings, I mentioned my observations of Mr. Warren's actions, to my surprise three (3) people also saw what was going on, when told about my statement to the court manager, they also reported their individual observations and completed statements to that effect.

So in total there were six (6) visual observations of Mr. Warren's actions and four (4) written statements!

It is my opinion that I. Drinkall's statement (evidence) had been downloaded onto Mr. Warren's mobile phone, and Mr. Warren was influencing (guiding) I. Drinkall through the questioning being conducted by P. Burns.

COURT CASE (A090110) LFRS - V - BURNS
11th FEBRUARY 2013

DURING THE ABOVE COURT CASE ON THE SECOND DAY, THE DATE BEING 12th FEBRUARY 2013 I WAS SITTING NEXT TO MY LATE HUSBAND (WILLIAM NEWITT) WHO WAS A WITNESS FOR MR. BURNS.

AT THE END OF ^{THE} DAY HE REMARKED TO ME HE HAD OBSERVED MR. WARREN USING HIS MOBILE PHONE WHEN Ms. DRINKALL WAS IN THE WITNESS BOX, BEING QUESTIONED BY MR. BURNS.

MY HUSBAND ALSO TOLD ME THAT HE NOTICED MR. WARREN NODDING HIS HEAD TOWARDS Ms. DRINKALL AS SHE WAS ANSWERING THE QUESTIONS PUT TO HER.

THE FOLLOWING DAY WE MET UP WITH OTHER PEOPLE WHO WERE IN COURT THE PREVIOUS DAY. IT SEEMS THAT MY HUSBAND WASN'T THE ONLY ONE WHO HAD OBSERVED MR. WARREN'S ACTION. MY HUSBAND THEN DECIDED TO REPORT WHAT HE HAD SEEN AND MADE A STATEMENT OF COMPLAINT TO THE COURT MANAGER.

MY LATE HUSBAND'S OPION WAS THAT MR. WARREN WAS PROMPTING Ms. DRINKALL DURING THE TIME SHE WAS IN THE WITNESS BOX, BEING QUESTIONED BY MR. BURNS

Court Case(PR090110) LFRS -v- Burns

11th February 2013

During the above court case, second day 12th February 2013, I was sitting at the rear of the court, slightly elevated seating position. P.Burns is asking J. Drinkall questions relative to the case.

From my position I have a good overall visibility of the courtroom. Sitting in the public area(front part of the court) is Mr. R.Warren and Mrs D.Lister.

At approximately 15:50hrs I observed Mr.Warren accessing text/information from his mobile phone, this alarms me so I decide to concentrate on what is going on?

As Mr.Warren moves through the text in obvious sync with Ms. Drinkall's answers to P.Burns questions I notice that Mr. Warren is also using nods of his head(affirmative-negative) to J. Drinkall whilst she is being questioned by P.Burns

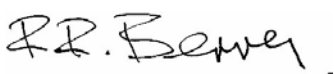

At the closure of the day approximately 16:30hrs I approach the Court Usher(female) and report my observations, she confirms that Mr. Warren's actions were also observed by her and the Clerk to the Court(male) and the matter would be brought to Judge Butler's attention.

Having thought about the events of the day I came to the decision to report the matter to the Court Manager the following day 13th February 2013.When I outlined my observations to the Court Manager of the events of the previous day I was asked to make a sworn written statement which I did immediately.

Having exited the Court Manager's office I met up with people who were also in the court the previous day. When casually asked about my views on the previous day's proceedings I mentioned my observations of Mr. Warren's actions. To my surprise three(3) people also saw what was going on. When told about my statement to the Court Manager they also reported their individual observations and completed statements to that effect.

So in total there were six(6) visual observations of Mr. Warren's actions and four(4) written statements.

It is my opinion that J.Drinkall's statement(evidence had been downloaded onto Mr. Warren's mobile phone and Mr.Warren was influencing/guiding J.Drinkall through the questioning being conducted by P.Burns.
